

# LEONELL CRUZ

FULL STACK WEB DEVELOPER

## ABOUT ME

I have a high logical thinking and problem solving skills, I am very much a fast-learner and very hard working, I am meticulous and attention to detail. I can develop a mobile responsive full stack website from scratch.

## WORK EXPERIENCE

### GRAPHIC DESIGNER

iDigital Media | 2021

- Produce visual concepts that will inform and captivate consumers, based on client requirements
- Create graphical content or logos for social media, website, print ads, etc. using Adobe photoshop or Illustrator
- Amend designs after feedback and ensure that final graphics and layouts are visually appealing and on-brand

### SPECIAL EDUCATION TEACHER

Tots @ Work DCFYL, Inc | 2016 - 2021

- Create Individualized Program suitable for the specific needs of a particular child.
- Collaborate with other teachers, therapists and parents on how to implement the designed program
- Create activities and visual aids to be used for daily lesson.
